MESSAGE FROM THE CHAIRPERSON

Dear Partners and Friends,

It is with gratitude that I present to you the Annual Report for FY2024/FY2025 of The Purple Parade Limited (TPPL). This report reflects not just our work, but the collective spirit of a community that continues to champion inclusion and celebrate the abilities of persons with disabilities in Singapore.

Reflecting on Our Journey

The Purple Parade 2024 was a landmark celebration of inclusion and a powerful expression of unity. The parade saw over 15,000 participants in a vibrant display of solidarity. Our contingent march featured more than 200 organisations, each contributing their unique voice, energy, and commitment to the cause. These numbers are not just milestones – they represent lives uplifted, new opportunities unlocked, and communities strengthened.

Deepening Our Impact

Over the past year, we have fortified our partnerships with more than 210 organisations, broadened our digital outreach, and launched transformative initiatives. Notably, the inaugural The Purple Parade Ltd's Leadership Development Programme stands out – nurturing future leaders from within the disability community and equipping them with the skills and confidence to drive meaningful change.

Looking Ahead

As we move into the new chapter, our focus is on sustainability and growth. We are laying the foundation for an Endowment Fund to ensure long-term support for our programmes. Our advocacy for inclusive policies and practices will continue, as we collaborate with corporate and philanthropic partners to build a more equitable and inclusive society.

A Movement of Hope and Possibility

The Purple Parade is more than an annual event – it is a movement. A movement that envisions a Singapore where every individual is valued, included, and empowered. Thank you for being part of this journey. Your unwavering support fuels our mission and inspires us to reach new heights.

A handwritten signature in black ink, appearing to read 'Rachel Ong'.

With deepest appreciation,
Rachel Ong
Chairperson, The Purple Parade Limited

ABOUT THE PURPLE PARADE LIMITED

The Purple Parade Limited (TPPL) is a not-for-profit charity based in Singapore officially registered in 2016. TPPL seeks to be the catalyst to bring about greater inclusiveness and recognition of the abilities of the disability community in Singapore.

OUR MISSION

TPPL will lead and organise programmes to:

Deepen society's understanding of PwDs of different disabilities, needs, aspirations and abilities.

Develop a Leadership Team that includes PwDs to advocate and advance the disability community.

Forge strong and lasting Partnerships to support the cause of The Purple Parade.

OUR VISION

The Purple Parade movement will be a unifying common space where Singaporeans of all abilities and backgrounds come together to celebrate inclusion and abilities of People with Disabilities (PwDs). The Purple Parade movement will enable others to recognise that Singapore is a place where its PwDs are valued and able to find their place and flourish in life.

As an Institution of a Public Character (IPC), we are a registered charity authorised to issue tax-deductible receipts for qualifying donations. Donors may claim tax relief on their assessable income based on the amount donated, in accordance with the prevailing deduction rate. IPCs are held to higher standards of regulatory compliance and governance, reflecting our commitment to transparency, accountability, and responsible stewardship of public funds.

MANAGEMENT COMMITTEE

Ms Rachel Ong Sin Yen

Chairperson

Rachel Ong, a champion for persons with disabilities, families and youths in Singapore, is the founder of ROHEI Learning & Consulting. Rachel played a key role in establishing Trybe in the early 2000s, a non-profit organisation dedicated with a mission: Every Youth, A Success Story. She currently serves as a Member of Parliament and contributes to Government Parliamentary Committees for MSF, MINDEF, MFA, and MOM.

Mr Jaspal Singh s/o Gurbachan Singh

Director

Mr Singh is a distinguished leader with an accomplished career spanning public service and corporate leadership. He served 26 years in the Singapore Administrative Service before becoming CEO of ComfortDelGro in London, where he led extensive transportation and engineering operations across the UK and Ireland from 2004 to 2018. He currently serves as Singapore's Non-Resident High Commissioner to the Republic of Rwanda. In addition, Mr Singh is a Director of Honour (Singapore), a member of the Competition and Consumer Commission of Singapore, and a Director of the Newcastle Australia Institute of Higher Education.

Ms Cheryl Chan Wei Ling

Director

Cheryl Chan is committed to creating a cohesive society through proactive planning. Since 2005, she has volunteered in Fengshan, supporting elderly and underprivileged children, which spurred her entry into politics in 2015. As a former Member of Parliament, Ms Chan champions housing, urban planning, women's development, sustainability, and special needs issues, while initiating programmes like daily exercise sessions for seniors and the Happy Breakfast programme for needy children and families.

OUR ADVISOR

Ms Denise Phua Lay Peng

Denise Phua is a Member of Parliament for Jalan Besar GRC and Mayor of Central Singapore District. A passionate advocate for marginalised communities in Singapore, Ms Phua started numerous initiatives for the disadvantaged and is also one of the architects in shaping Singapore's disability policies through three 5-year national Enabling Masterplans from 2007 onwards.

In her volunteer capacity, Ms Phua serves as President of Autism Resource Centre (Singapore), Chairman of Autism Association (Singapore), and co-founded Pathlight School — the first autism-focused school and largest special school in Singapore. She is the visionary behind The Purple Parade Movement and The Purple Symphony Orchestra, both championing inclusion and celebrating the abilities of persons with disabilities in Singapore.

CORNERSTONE EVENT

THE PURPLE PARADE

The Purple Parade, Singapore's largest movement advocating for inclusion and celebrating the abilities of individuals with special needs, stands as TPPL's signature event. This ground-up collaborative initiative, supported by volunteer groups, various community organizations, and corporate entities, forms an organising committee of over 50 representatives and is facilitated by The Purple Parade Limited and Central Singapore Community Development Council (CDC).

Throughout its evolution, The Purple Parade has provided platforms for inclusive displays through its 5C segments: Campaign, Carnival, Concert, Contingent, and Conversations. These segments foster an inclusive celebration of abilities, uniting partners in support of inclusion.

The 12th edition of The Purple Parade was held on 12 October 2024, continued to amplify public awareness and support for disability inclusion. Open to all who champion the cause, participants were invited to join the parade, volunteer, showcase their abilities, or simply stand in solidarity. The event saw a record-breaking turnout of 15,000 participants, making it the largest gathering in the movement's history. Minister Desmond Lee graced the occasion as the Guest-of-Honour.

CONCERT THE PURPLE PARADE

The Purple Parade 2024 presented a vibrant and inclusive line-up of 40 performances by persons of all abilities. Beyond celebrating the talents within the disability community, the concert also served as a platform for partners from the People, Public and Private sectors to demonstrate their support and collaboration. This segment reflects our ongoing commitment to building a society where everyone—regardless of ability—can participate fully and contribute meaningfully.

CARNIVAL

THE PURPLE PARADE

As part of our Carnival offerings, we introduced a vibrant Marketplace that brought together 46 booth partners, each offering unique, high-quality products crafted by groups and individuals from the disability community. This carnival not only celebrated their creativity and entrepreneurial spirit, but also gave attendees a meaningful way to show their support through purchases and engagement.

The Marketplace was a standout feature of the event, drawing interest from the public and spotlighting the talent and dedication of our community and partners.

EAT Booths

These featured a delightful assortment of food and beverage offerings, prepared and served with care by individuals with disabilities, showcasing their culinary skills and entrepreneurial spirit.

SHOP Booths

Attendees browsed through a variety of merchandise, crafts, and products meticulously crafted by members of the disability community. Each item not only represented artistic expression but also served as a testament to the participants' dedication and talents.

PLAY Booths

These interactive spaces provided engaging activities and games, fostering a vibrant atmosphere of inclusivity and joy. Participants and visitors alike enjoyed connecting through shared experiences and entertainment.

CARNIVAL

THE PURPLE PARADE

We are pleased to showcase some of the vibrant activities by our partners that took place at our Carnival, 'EAT,' 'SHOP,' and 'PLAY' marketplace. The 'EAT' and 'SHOP' booths were a special highlight, offering a delightful variety of handcrafted items, delicious bakes, artworks, lifestyle products, and accessories uniquely crafted or designed by persons with disabilities from our partnering organisations. These meaningful creations not only reflected the talent and creativity of their makers but also supported inclusive employment and entrepreneurship.

The Purple Parade merchandise also made its appearance, with exclusive on-site items that added to the buzz of the event!

CAMPAIGN

“GET IN” CAMPAIGN

The #GetIN campaign, launched in August 2024, aimed to promote the message that inclusion of persons with disabilities (PwDs) is an everyday commitment, not just a one-day event. Centred around the hashtag #GetIN, it encourages individuals, organisations, and community groups to share personal stories, pledges, and creative expressions on social media to show their support for disability inclusion. The initiative served as a digital prelude to the main Purple Parade event in October, building momentum and raising awareness through online engagement.

The campaign involved a wide range of participants, including local influencers, corporate partners, students, social service agencies, and members of the public. These supporters posted videos, photos, and messages on platforms like Facebook, Instagram and TikTok, showcasing how they champion inclusion in their daily lives. Through this collective effort, the #GetIN campaign has created a vibrant and inclusive digital space to celebrate diversity while at the same time showing support to the rights and recognition of PwDs in Singapore.

CAMPAIGN

GROUND-UP ACTIVATIONS

Interactive “pop-up” activities strategically located across the island remained central to our outreach efforts. These spaces served as dynamic platforms to educate the public about The Purple Parade Movement and promote support for inclusion.

What set these activations apart was the strong ground-up involvement—with schools, corporates, government agencies, and social service organisations taking the lead in hosting their own outreach initiatives. Each activation offered a creative and meaningful way to share messages of inclusivity and spark conversations within the community.

In 2024, a total of 55 organisations from the People, Public, and Private sectors participated, collectively engaging over 35,000 individuals. The enthusiastic response reflects the strength of community ownership and a growing commitment to building a more inclusive Singapore.

CAMPAIGN

NATIONAL DAY @ HEARTLANDS

CELEBRATION

As part of the National Day @ Heartlands celebrations on 10 August 2024, The Purple Parade set up a vibrant inclusion-themed station at the open field opposite Bishan MRT (Circle Line, Exit D). Organised in collaboration with the People's Association, Central Singapore CDC and The Purple Parade Ltd, this meaningful activation brought the message of inclusion into the heartlands, weaving disability advocacy into the festive spirit of National Day. Guided by the theme “Unity in Diversity,” visitors of all ages were invited to explore interactive booths, engage with partner social service agencies which includes Singapore Disability Sports Council, SPD, SADeaf, TOUCH Community Services, Down Syndrome Association, and Singapore Association of the Visually Handicapped (SAVH).

A key highlight was the visit by senior leaders, including Senior Minister Lee Hsien Loong and Members of Parliament of Central Singapore District, who showed their support by engaging with participants at the station. The setup featured inclusive activities, informative displays, and outreach materials designed to spark reflection on inclusion as a core national value. By bringing the essence of The Purple Parade into a community celebration, this activation turned inclusion into a visible, interactive experience for residents and reinforced that inclusion should be part of everyday life and not just for major events.

CONTINGENT THE PURPLE PARADE

We proudly highlight the meaningful participation of over 200 organisations and more than 9,000 marchers from the People, Public, and Private sectors, joined by members of the public, in a powerful display of unity through our street parade march-past.

Their spirited involvement reflected a shared commitment to building an inclusive society—one that celebrates diversity, breaks down barriers, and recognises the strengths of individuals with disabilities.

The contingents not only demonstrated collective support, but also played a vital role in raising awareness and advocating for inclusion, making this year's parade a resounding statement of solidarity and collaboration across all sectors.

VOLUNTEERS

THE PURPLE PARADE

We are proud to recognise the outstanding contributions of over 1,300 volunteers, whose dedication played a crucial role in making this year's event our most successful yet. From energising contingents and managing crowd flow to supporting partner charities and coordinating logistics, their efforts were nothing short of remarkable. This marks our largest volunteer turnout to date, reflecting a growing community commitment to the cause of inclusion.

To ensure our volunteers were equipped to engage with confidence and empathy, key volunteer leaders participated in a disability awareness training session conducted by Mr David Tan, Disability Trainer, Advocate, and member of our organising committee. The session deepened their understanding of disability inclusion and equipped them to help create a welcoming, respectful space for all.

We extend our heartfelt thanks to each and every volunteer for their enthusiasm, compassion, and unwavering support. Their collective impact continues to drive meaningful change in our community.

FACES OF THE PURPLE PARADE

Having persons with disabilities serve as ambassadors, or 'Faces', for The Purple Parade holds significance in fostering genuine representation and advocacy. Their presence not only exemplifies the core values of inclusivity and diversity but also provides authentic voices that resonate with the community they represent.

By showcasing persons with disabilities as ambassadors, we amplify their stories, strengths, and achievements, inspiring others to embrace inclusiveness and break down barriers. These ambassadors serve as living examples of resilience, determination, and capability, challenging stereotypes and promoting a more inclusive society where every individual is recognised for their unique abilities.

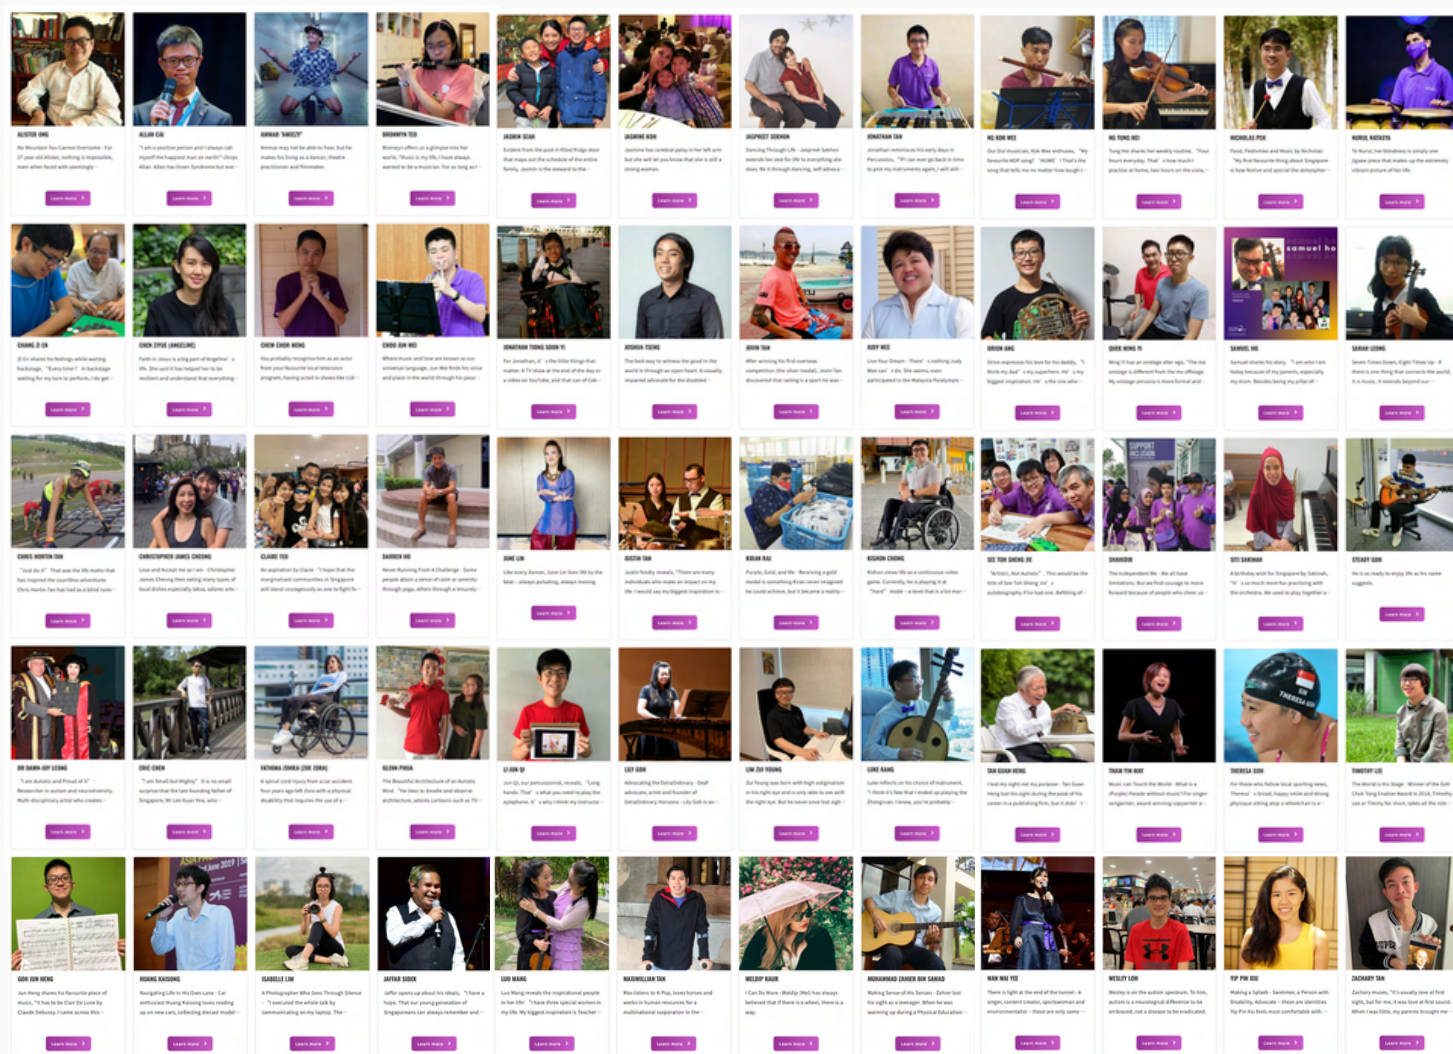

Their involvement not only enriches our initiatives with diverse perspectives but also empowers persons with disabilities to take pride in their contributions and be catalysts for positive change in Singapore's social fabric.

CONVERSATIONS HUMAN LIBRARY

'Conversations' is TPPL's year-long programme aimed at sparking meaningful dialogue and raising awareness about disability issues. Through the sharing of stories and social content, we strive to elevate perceptions of persons with disabilities within our community and beyond. By highlighting human interest narratives and personal journeys, we aim to foster empathy, understanding, and appreciation for the diverse abilities and contributions of individuals with disabilities.

This year, we re-strategised our digital plans and focused more on our Facebook and Instagram platforms. We curated a total of 10 human-interest stories and 4 short videos, which collectively reached 18,963 people and received 1,168 engagements. This resulted in an impressive engagement rate of 6.16%, significantly surpassing the industry standard of 1-3%*. We have also expanded our digital presence to TikTok and LinkedIn to reach and engage new audiences on both platforms.

*Engagement calculated as of 20th June 2025

CONVERSATIONS LIVE CHATS WITH PWDS

Trybe Youths

In a youth-led “Conversations That Matter” session, our Leadership Development Programme participants and youths explored real-life experiences of persons with disabilities—mixing advocacy with honest, everyday chats. These conversations foster understanding, break stigma, and highlight the power of lived stories.

ITE College Central

Students from ITE College Central engaged in open conversations with persons with disabilities, gaining insights into their lives and aspirations. These sessions foster empathy, challenge perceptions, and promote inclusion through real stories.

Telok Blangah Mentoring Club

At Telok Blangah Mentoring Club, our Leadership Development Programme graduates Oh Boon Keng and Joshua Khoo sparked heartfelt conversations with youths about life with disabilities. Through humour, honesty, and thoughtful dialogue, mentees gained deeper empathy and understanding.

CONVERSATIONS 'WALK IN MY SHOES' WORKSHOP SERIES

Deaf & Signing Experience with SADeaf

On 26 October 2024, in conjunction with the International Week of the Deaf People (IWDP) 2024, The Purple Parade collaborated with The Singapore Association for the Deaf to host a Deaf and Signing experiential workshop. The session aimed to deepen understanding of Deaf culture, sign language, and accessibility challenges faced by the D/deaf community. Participants responded positively, with many gaining greater awareness and confidence in engaging with Deaf individuals.

Together with Paws and Purpose with Guide Dogs Singapore

On 9 November 2024, we partnered with Guide Dogs Singapore Ltd to raise awareness about the experiences of persons with visual impairment. The session covered the important role of guide dogs, including their functions, etiquette when interacting with them, and relevant laws. Participants engaged in a blindfold simulation walk and a meaningful Q&A session with guide dog user Gary, gaining firsthand insight into daily accessibility challenges.

CONVERSATIONS 'WALK IN MY SHOES' WORKSHOP SERIES

Disability Etiquette on Wheels

On 1 March 2025, in collaboration with SPD, SBS Transit Ltd, and the Public Transport Council under the Caring SG Commuters initiative, we conducted a workshop on disability etiquette to promote respectful and empathetic interaction with persons with disabilities (PwDs). Participants gained deeper understanding through insightful sharing by SPD and hands-on experiential activities, including navigating barriers on board SBS Transit's CARES Community Bus. The workshop offered meaningful perspectives on the everyday challenges faced by PwDs and highlighted the importance of inclusive public transport.

Experiencing Autism with Autism Resource Centre (Singapore)

On 26 April 2025, we welcomed over 70 participants to an experiential workshop focused on autism, in partnership with Autism Resource Centre Singapore and Pathlight School. Through hands-on activities, participants gained valuable insights into the communication, sensory, and cognitive challenges faced by individuals on the autism spectrum. The session was well-received, with many sharing that it deepened their empathy and equipped them with practical strategies to better support and engage with the autism community.

RE-GRANTING

LIFE FORWARD GRANT

In partnership with Temasek Foundation, TPPL is piloting the concept of regranting as a philanthropic strategy.

Beginning in July 2024 and spanning a three-year period until June 2027, with a total grant amount of \$3.6 million, we will pilot this approach within the disability sector. As part of this initiative, TPPL has established the Regranting Unit to administer funding support for programmes that cater to the evolving needs of the disability community. This initiative aims to foster innovation and sustainable solutions that positively impact the lives of individuals with disabilities across Singapore.

THE GRANT FOCUSES ON 3 STRATEGIC AREAS

01 Enable Independent Living

Initiatives to strengthen capability of PwDs to live as independently as possible in the community.

02 Enable Healthier Living

Initiatives that will enhance healthier lifestyle choices and habits of PwDs so that they live fruitful and healthier lives.

03 Enable Lifelong Learning

Initiatives that promote learning of PwDs so that their quality of life at work, home and community is maximised.

RE-GRANTING LIFE FORWARD GRANT

TEMASEK FOUNDATION – AUTISM RESOURCE CENTRE (SINGAPORE) SUPPORTED LIVING AND TRAINING PROGRAMME

The Temasek Foundation – Autism Resource Centre (Singapore) Supported Living and Training Programme was officially launched on 6 September 2024, in partnership with The Purple Parade Limited (TPPL). This initiative marks TPPL's first regranting project, made possible through the support of Temasek Foundation.

The programme provides persons with autism with structured, autism-focused training in key areas such as self-management, home management, and community participation. It aims to equip participants with practical life skills to support greater independence and meaningful inclusion in the community.

LEADERSHIP DEVELOPMENT PROGRAMME (LDP)

The Purple Parade Ltd (TPPL) Leadership Development Programme (LDP) is a curated series of best-of-class leadership workshops and activities designed to equip individuals with personal mastery, effective teamwork, and organisational leadership skills—tailored to the learning needs of persons with disabilities.

Officially launched on 10 August 2024 with support from Central Singapore CDC, the LDP was developed to strengthen the leadership capabilities of persons with disabilities (PwDs) in the workplace, empowering them to thrive across various sectors beyond the disability community. The programme offers targeted support through learning accommodations and one-on-one mentoring relationships with experienced working professionals.

The first cohort of 12 participants graduated in April 2025, marking a meaningful milestone in the programme's journey. The second cohort will commence in July 2025 and will welcome 12 new participants, continuing TPPL's efforts to nurture future leaders within the disability community.

THE PROGRAMME FOCUSES ON:

01 Providing Growth Opportunities

A leadership track tailored to their learning needs provides growth opportunities that parallel those of their non-disabled peers.

02 Building Confidence and Skills

Adults with disabilities may face unique challenges in developing their leadership abilities. The programme provides targeted support to help them build confidence, develop essential leadership skills, and overcome barriers to advancement.

03 Fostering Peer Support Networks

The programme fosters a supportive peer network, and helps participants navigate challenges and celebrate successes together.

HEAR FROM OUR PARTICIPANTS TESTIMONIALS

The mentorship and exposure to trainers from key industries provided diverse perspectives and practical, real-world insights. This greatly enriched the overall learning experience and added significant value to the programme. This should definitely continue.

- Fathima Zohra

I think the LDP programme was really good, helped me become more self-aware and grow both professionally and personally. I'd definitely recommend it, especially as it's thoughtfully designed to support individuals with special needs.

- Amanda Chong

The programme is a one-of-a-kind opportunity that provides an invaluable platform for PWDs who wish to pursue greater aspirations, but may not feel like they have the confidence, skills, or supportive peer network to empower them to do so.

- Joshua Tseng

It's rare to find longer duration training programmes that provides a good amount of accommodations for diverse disability needs.. This allows participants, especially those with more severe disabilities, to set aside concerns and fully focus on learning.

- Oh Boon Keng

ALL PARTICIPANTS

would recommend LDP to others and were able to apply at least 3 different skillsets acquired from the programme

90% OF THE COHORT

were able to elaborate on how they have been able to apply their skills to their workplace and perform better

58% OF THE COHORT

have joined as members of The Purple Parade 2025 Organising Committee

STATUTORY DISCLOSURE

Management Committee Members' Years of Service

The following Management Committee (MC) Members held their positions during the term of office and contributed significantly to the growth and development of TPPL through the years in their various capacities.

Name	Year Joined	Years on TPPL Board	Appointment Held	Occupation
Ms Rachel Ong Sin Yen	23 June 2021	4	Chairman	Founder, Rohei Corporation
Ms Cheryl Chan Wei Ling	21 Sep 2021	4	Director	Group Chief Strategy and Sustainability Officer and President New Ventures of ST Engineering
Mr Jaspal Singh s/o Gurbachan Singh	21 Sep 2021	4	Director	Director of Honour (Singapore)

Management Committee Meetings and Attendance

The Management Committee met 5 times with a quorum of 2 of Management Committee members being present. The attendance of the members was as follows during the financial year:

Name	Designation	Number of Meetings Attended
Ms Rachel Ong Sin Yen	Chairman	5
Ms Cheryl Chan Wei Ling	Director	5
Mr Jaspal Singh s/o Gurbachan Singh	Director	4

Remuneration of Management Committee Members

Management Committee Members do not receive any remuneration for their services to TPPL.

Executive Head

Ms Elly Sim served as Assistant General Manager until December 2024, contributing to the organisation's operational and strategic development. In June 2025, she was succeeded by Ms Siow Qi Qing, who assumed the role to continue strengthening the organisation's operations and advancing its strategic initiatives.

STATUTORY DISCLOSURE

Conflict of Interest Policy

The Management Committee Members are required to declare their conflict of interests each year. In the event of any conflicting situations that may arise anytime throughout the year, members are obligated to update the Management Committee in a timely manner.

Compliance with Code of Governance and Constitution

TPPL is committed to a high standard of compliance with all laws, rules and statutory regulations applicable to charities and non-profit organisations in Singapore. During the FY2024/2025, the Management Committee worked closely with the TPPL Leadership Team and managed in compliance with the code of Governance guidelines and the Constitution of The Purple Parade Limited.
